Econ 202 - Micro  

This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course’s goals?

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

During the Calc review in the 1st week of class he could go slower.
Also throughout the class we move at quite a fast pace that can leave someone behind if they don’t keep up. I guess that’s the point though. ⇒ Probably wouldn’t change much.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.

2. Evaluate the instructor's organization of this course.

3. Evaluate the quality of the lectures.

4. How effective and fair were the reviews and tests given throughout the term?

5. How effective and fair were this course's writing assignments?

6. Was written work evaluated fairly and returned within a reasonable time?

7. Describe the effectiveness of team teaching in this course.

8. To what extent were you encouraged to think for yourself in this course?

9. Evaluate the instructor's preparation for the class and/or laboratory.

10. To what extent did the field trip(s) contribute to your learning?

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.

12. Comment on the quality of the texts, equipment, or facilities for this course.

13. If it was needed, to what degree was help outside of class available and productive?

14. Evaluate the effectiveness of class discussion in this course.

15. Evaluate the course as a whole.

   Good course - glad I got to take it w/foley.

16. Evaluate the instructor overall.

   One of my favorite professors at Davidson.
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   I enjoyed the power point presentations that were prepared for every class. It made it easier to focus on the material at hand w/o worrying about writing down notes. The games we played in class were extremely fun and educational.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   Sometimes, the book seemed too complicated for me. The word-problems in the book were not hard yet they didn't reflect what would be on the test.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   I came motivated to learn everyday

2. Evaluate the instructor's organization of this course.

   Instructor was organized everyday

3. Evaluate the quality of the lectures.

   Great!

4. How effective and fair were the reviews and tests given throughout the term?

   Tests were very long, sometimes too long

5. How effective and fair were this course's writing assignments?

   Very fair

6. Was written work evaluated fairly and returned within a reasonable time?

   Yes

7. Describe the effectiveness of team teaching in this course.

8. To what extent were you encouraged to think for yourself in this course?

   Everyday

9. Evaluate the instructor's preparation for the class and/or laboratory.

   Came prepared everyday

10. To what extent did the field trip(s) contribute to your learning?

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.

12. Comment on the quality of the texts, equipment, or facilities for this course.

   Texts were sometimes hard to comprehend

13. If it was needed, to what degree was help outside of class available and productive?

   Outside help was always available

14. Evaluate the effectiveness of class discussion in this course.

   Class discussion always achieved its goal

15. Evaluate the course as a whole.

   Great!

16. Evaluate the instructor overall.

   The instructor made the class fun while still teaching the material.
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   The class activities that the whole class was involved in made the class very interesting.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   I wish we would do more practice problems in class.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   To learn the concepts of microeconomics.

2. Evaluate the instructor's organization of this course.
   
   Very organized.

3. Evaluate the quality of the lectures.
   
   Pretty good, sometimes he talks too much and doesn't let the class talk.

4. How effective and fair were the reviews and tests given throughout the term?
   
   Fair and effective.

5. How effective and fair were this course's writing assignments?
   
   N/A.

6. Was written work evaluated fairly and returned within a reasonable time?
   
   N/A.

7. Describe the effectiveness of team teaching in this course.
   
   N/A.

8. To what extent were you encouraged to think for yourself in this course?
   
   A good bit.

9. Evaluate the instructor's preparation for the class and/or laboratory.
   
   Very prepared.

10. To what extent did the field trip(s) contribute to your learning?
    
    N/A.

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    
    N/A.

12. Comment on the quality of the texts, equipment, or facilities for this course.
    
    Good.

13. If it was needed, to what degree was help outside of class available and productive?
    
    Always, try it!!

14. Evaluate the effectiveness of class discussion in this course.
    
    OK.

15. Evaluate the course as a whole.
    
    Great course but difficult.

16. Evaluate the instructor overall.
    
    Good teacher, great survey.
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   When we went through examples on the board. Office hours

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   When we went through powerpoint without then doing examples on the board.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   hard class, but doing OK

2. Evaluate the instructor's organization of this course.
   good

3. Evaluate the quality of the lectures.
   good, sometimes PowerPoint hard to follow

4. How effective and fair were the reviews and tests given throughout the term?
   very hard but fair

5. How effective and fair were this course's writing assignments?
   N/A

6. Was written work evaluated fairly and returned within a reasonable time?
   yes

7. Describe the effectiveness of team teaching in this course.
   N/A

8. To what extent were you encouraged to think for yourself in this course?
   encouraged to ask questions

9. Evaluate the instructor's preparation for the class and/or laboratory.
   always prepared

10. To what extent did the field trip(s) contribute to your learning?
    N/A

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    N/A

12. Comment on the quality of the texts, equipment, or facilities for this course.
    good

13. If it was needed, to what degree was help outside of class available and productive?
    always available, very helpful

14. Evaluate the effectiveness of class discussion in this course.
    good

15. Evaluate the course as a whole.
    good class, but tough

16. Evaluate the instructor overall.
    very good, very nice, very smart
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   - Use of PowerPoint
   - Interactive examples to help understand bigger concepts before applying math

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   - I liked how it was taught
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   High

2. Evaluate the instructor's organization of this course.
   
   Good

3. Evaluate the quality of the lectures.
   
   Good

4. How effective and fair were the reviews and tests given throughout the term?
   
   Effective and fair

5. How effective and fair were this course's writing assignments?

6. Was written work evaluated fairly and returned within a reasonable time?
   
   Yes

7. Describe the effectiveness of team teaching in this course.
   
   High

8. To what extent were you encouraged to think for yourself in this course?
   
   A lot

9. Evaluate the instructor's preparation for the class and/or laboratory.
   
   High

10. To what extent did the field trip(s) contribute to your learning?

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.

12. Comment on the quality of the texts, equipment, or facilities for this course.
   
   Did not like or were not helpful

13. If it was needed, to what degree was help outside of class available and productive?
   
   Used very little, but was available and productive

14. Evaluate the effectiveness of class discussion in this course.
   
   High

15. Evaluate the course as a whole.
   
   Very Good

16. Evaluate the instructor overall.
   
   Very Good
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   Labs were very helpful. Also, good experience presenting, public speaking.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   PowerPoint, Not my favorite medium to learn.

   Also, make tests in class. I am not disciplined to take out of class tests.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   good

2. Evaluate the instructor's organization of this course.
   
   good

3. Evaluate the quality of the lectures.
   
   I don't enjoy powerpoint

4. How effective and fair were the reviews and tests given throughout the term?
   
   fair

5. How effective and fair were this course's writing assignments?
   
   fair

6. Was written work evaluated fairly and returned within a reasonable time?
   
   yes

7. Describe the effectiveness of team teaching in this course.
   
   N/A

8. To what extent were you encouraged to think for yourself in this course?
   
   some

9. Evaluate the instructor's preparation for the class and/or laboratory.
   
   good

10. To what extent did the field trip(s) contribute to your learning?
    
    N/A

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    
    good 
    helpful

12. Comment on the quality of the texts, equipment, or facilities for this course.
    
    good

13. If it was needed, to what degree was help outside of class available and productive?
    
    good

14. Evaluate the effectiveness of class discussion in this course.
    
    N/A

15. Evaluate the course as a whole.
    
    good, a lot of theory

16. Evaluate the instructor overall.
    
    average
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   Doing problems & explaining through actual problems was most helpful.
   The homework also helped me understand the concepts.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   Reading slides did not help me; I needed more hands-on learning.
   It also did not help when ambiguous problems were used (i.e., those not involving real numbers).
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   Very motivated, performed decently

2. Evaluate the instructor's organization of this course.
   Very organized

3. Evaluate the quality of the lectures.
   Good, I didn't like reading slides though

4. How effective and fair were the reviews and tests given throughout the term?
   The reviews were effective but very tough

5. How effective and fair were this course's writing assignments?

6. Was written work evaluated fairly and returned within a reasonable time?
   Yes

7. Describe the effectiveness of team teaching in this course.

8. To what extent were you encouraged to think for yourself in this course?
   All the time, especially homework & tests

9. Evaluate the instructor's preparation for the class and/or laboratory.
   Always prepared

10. To what extent did the field trip(s) contribute to your learning?

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.

12. Comment on the quality of the texts, equipment, or facilities for this course.
    I hated the text book, all it did was confuse me!

13. If it was needed, to what degree was help outside of class available and productive?
    Always available

14. Evaluate the effectiveness of class discussion in this course.
    Not much class discussion occurred

15. Evaluate the course as a whole.
    Tough, not fun

16. Evaluate the instructor overall.
    Very good
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course’s goals?
   - Old tests, class notes
   - Extra help
   - Going to class was extremely important in order to understand the material

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?
   - Textbook is hard to understand at times
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   Very motivated

2. Evaluate the instructor's organization of this course.
   Extremely organized

3. Evaluate the quality of the lectures.
   Good

4. How effective and fair were the reviews and tests given throughout the term?
   Reviews were hard - a lot of reach problems that weren't

5. How effective and fair were this course's writing assignments? Covered in class
   None

6. Was written work evaluated fairly and returned within a reasonable time?
   HW not returned bc based on effort ie no need to
   None

7. Describe the effectiveness of team teaching in this course.
   None

8. To what extent were you encouraged to think for yourself in this course?
   Very encouraged to do

9. Evaluate the instructor's preparation for the class and/or laboratory.
   Always prepared

10. To what extent did the field trip(s) contribute to your learning?
    None

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    None

12. Comment on the quality of the texts, equipment, or facilities for this course.
    Text was difficult to read

13. If it was needed, to what degree was help outside of class available and productive?
    Always give

14. Evaluate the effectiveness of class discussion in this course.
    Not very many

15. Evaluate the course as a whole.
    Hard but learned a lot

16. Evaluate the instructor overall.
    Awesome
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   - Explanation of a concept moving into a general example, then moving into a specific example (good flow of lectures)

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   I am majoring in Econ

2. Evaluate the instructor's organization of this course.
   Very organized

3. Evaluate the quality of the lectures.
   Well planned

4. How effective and fair were the reviews and tests given throughout the term?
   Hard although challenging, they were fair

5. How effective and fair were this course's writing assignments?
   N/A

6. Was written work evaluated fairly and returned within a reasonable time?
   Yes

7. Describe the effectiveness of team teaching in this course.
   N/A

8. To what extent were you encouraged to think for yourself in this course?
   Very much

9. Evaluate the instructor's preparation for the class and/or laboratory.
   Very prepared

10. To what extent did the field trip(s) contribute to your learning?
    N/A

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    N/A

12. Comment on the quality of the texts, equipment, or facilities for this course.
    The text was sometimes hard to understand.

13. If it was needed, to what degree was help outside of class available and productive?
    Always available

14. Evaluate the effectiveness of class discussion in this course.
    Did not happen often, but when it did it was effective

15. Evaluate the course as a whole.
    Very good

16. Evaluate the instructor overall.
    Lovable, enjoyable, helpful
    Good organization
Course: Econ 201  
Term, Year: Fall, 06  
Instructor: Dr. Foley

This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

I felt that the weekly homework assignments and then reviewing them in class were the most helpful parts of this class.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

The least helpful was the book.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   I am planning on being an econ major.

2. Evaluate the instructor's organization of this course.
   As organized as one can be.

3. Evaluate the quality of the lectures.
   Pretty good, sometimes the professor went a little fast.

4. How effective and fair were the reviews and tests given throughout the term?
   For the most part they were both effective and fair.

5. How effective and fair were this course's writing assignments?

6. Was written work evaluated fairly and returned within a reasonable time?
   Yes 3 Yes

7. Describe the effectiveness of team teaching in this course.

8. To what extent were you encouraged to think for yourself in this course?
   Think by ourselves was encouraged every once in a while.

9. Evaluate the instructor's preparation for the class and/or laboratory.
   Very prepared.

10. To what extent did the field trip(s) contribute to your learning?

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.

12. Comment on the quality of the texts, equipment, or facilities for this course.
    I did not like the textbook, I felt that it did not give enough mathematical instruction or examples to learn from.

13. If it was needed, to what degree was help outside of class available and productive?
    Very available/productive

14. Evaluate the effectiveness of class discussion in this course.
    When there was discussion, it helped to better understand the topic.

15. Evaluate the course as a whole.
    I enjoyed the course, felt that it was very good.

16. Evaluate the instructor overall.
    Very smart, always organized and prepared.
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   The outside help was most helpful for me. Also, the hands-on activities, like the game theory section, helped out a lot because it gave the subject matter a real world perspective.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   I thought the daily lectures, while helpful to a certain extent, were very dry. I did not like the daily PowerPoint slides, for that just isn't effective for me and I struggled to find a way around that.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   *Just to Pass*

2. Evaluate the instructor's organization of this course.
   
   *Very organized*

3. Evaluate the quality of the lectures.
   
   *OK*

4. How effective and fair were the reviews and tests given throughout the term?
   
   *Very hard, but Fair*

5. How effective and fair were this course's writing assignments?
   
   *N/A*

6. Was written work evaluated fairly and returned within a reasonable time?
   
   *Yes*

7. Describe the effectiveness of team teaching in this course.
   
   *N/A*

8. To what extent were you encouraged to think for yourself in this course?
   
   *Always*

9. Evaluate the instructor's preparation for the class and/or laboratory.
   
   *Very prepared*

10. To what extent did the field trip(s) contribute to your learning?
    
    *N/A*

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    
    *N/A*

12. Comment on the quality of the texts, equipment, or facilities for this course.
    
    *The text book was impossible*

13. If it was needed, to what degree was help outside of class available and productive?
    
    *Always available and very helpful*

14. Evaluate the effectiveness of class discussion in this course.
    
    *It didn't really happen*

15. Evaluate the course as a whole.
    
    *It was OK*

16. Evaluate the instructor overall.
    
    *Great guy, just didn't have as quick of a mind as he*
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?
   - always open for office hours
   - great lectures

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   Good motivation & average performance

2. Evaluate the instructor's organization of this course.
   
   Very

3. Evaluate the quality of the lectures.
   
   Great

4. How effective and fair were the reviews and tests given throughout the term?
   
   Somewhat

5. How effective and fair were this course's writing assignments?

6. Was written work evaluated fairly and returned within a reasonable time?
   
   Yes

7. Describe the effectiveness of team teaching in this course.

8. To what extent were you encouraged to think for yourself in this course?
   
   Lot

9. Evaluate the instructor's preparation for the class and/or laboratory.
   
   Always prepared

10. To what extent did the field trip(s) contribute to your learning?

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.

12. Comment on the quality of the texts, equipment, or facilities for this course.

13. If it was needed, to what degree was help outside of class available and productive?
   
   Always available & very productive

14. Evaluate the effectiveness of class discussion in this course.

15. Evaluate the course as a whole.
   
   Good

16. Evaluate the instructor overall.
   
   Good
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   The Problem Sets are by far the most helpful part of the class. Also, working through problems in class is very beneficial.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   I would encourage students to take notes in addition to printing off the slides, since often I did not write down enough of what you were saying.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   work towards minor credit

2. Evaluate the instructor's organization of this course.
   well organized

3. Evaluate the quality of the lectures.
   very high quality

4. How effective and fair were the reviews and tests given throughout the term?
   very effective and reasonably fair

5. How effective and fair were this course's writing assignments?
   adequately

6. Was written work evaluated fairly and returned within a reasonable time?
   yes

7. Describe the effectiveness of team teaching in this course.
   n/a

8. To what extent were you encouraged to think for yourself in this course?
   about every other class

9. Evaluate the instructor's preparation for the class and/or laboratory.
   well prepared

10. To what extent did the field trip(s) contribute to your learning?
    n/a

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    n/a

12. Comment on the quality of the texts, equipment, or facilities for this course.
    adequate

13. If it was needed, to what degree was help outside of class available and productive?
    yes, very helpful

14. Evaluate the effectiveness of class discussion in this course.
    not critical to the course

15. Evaluate the course as a whole.
    well run and interesting

16. Evaluate the instructor overall.
    knowledgeable and enthusiastic
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   The homework assignments were most helpful in being able to apply the information pursued in class.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   The textbook, although it had good practice questions, was very confusing to read at times and did not seem to always match up with the lectures.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   I was motivated, but I wish I had performed much better.

2. Evaluate the instructor's organization of this course.
   
   The course was well organized.

3. Evaluate the quality of the lectures.
   
   The lectures were comprehensive and full of effective and fair.

4. How effective and fair were the reviews and tests given throughout the term?

   Effective and fair.

5. How effective and fair were this course's writing assignments?

   Very effective and fair.

6. Was written work evaluated fairly and returned within a reasonable time?

   Yes.

7. Describe the effectiveness of team teaching in this course.

   N/A.

8. To what extent were you encouraged to think for yourself in this course?

   The class was not designed or set up for this.

9. Evaluate the instructor's preparation for the class and/or laboratory.

   N/A.

10. To what extent did the field trip(s) contribute to your learning?

    N/A.

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.

    N/A.

12. Comment on the quality of the texts, equipment, or facilities for this course.

    I would have preferred another text.

13. If it was needed, to what degree was help outside of class available and productive?

    Always available.

14. Evaluate the effectiveness of class discussion in this course.

    Did not happen often, but questions were encouraged.

15. Evaluate the course as a whole.

    The course is a good insight into how much work is required in Economic Professor who was clearly in mastery mode and not bored.

16. Evaluate the instructor overall.

    The instructor was a very competent, passionate, and 经济学老师，非常有才华，充满热情。
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   The lecture notes were very helpful in studying for exams and doing HW. Especially the examples in class.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   Actually, the course was very well taught overall. The syllabus could be a bit more detailed.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   To learn.

2. Evaluate the instructor's organization of this course.
   
   Good.

3. Evaluate the quality of the lectures.
   
   Good.

4. How effective and fair were the reviews and tests given throughout the term?
   
   Both effective and fair.

5. How effective and fair were this course's writing assignments?
   
   N/A.

6. Was written work evaluated fairly and returned within a reasonable time?
   
   Yes.

7. Describe the effectiveness of team teaching in this course.
   
   N/A.

8. To what extent were you encouraged to think for yourself in this course?
   
   To a reasonably great extent.

9. Evaluate the instructor's preparation for the class and/or laboratory.
   
   Good.

10. To what extent did the field trip(s) contribute to your learning?
    
    N/A.

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    
    N/A.

12. Comment on the quality of the texts, equipment, or facilities for this course.
    
    BAD TEXT. HARD TO READ, Too QUANTITATIVE, but not very explanatory on many things.

13. If it was needed, to what degree was help outside of class available and productive?
    
    N/A.

14. Evaluate the effectiveness of class discussion in this course.
    
    N/A.

15. Evaluate the course as a whole.
    
    Great.

16. Evaluate the instructor overall.
    
    Great guy, and a great teacher.
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   I thought the powerpoints were very helpful. We were able to go over well-drawn graphs step by step, and it made it much easier to follow along. Also, the in-class problems were very beneficial.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   I hope to major in Econ and think I did well because I enjoyed it.

2. Evaluate the instructor's organization of this course.
   
   Good

3. Evaluate the quality of the lectures.
   
   Good!

4. How effective and fair were the reviews and tests given throughout the term?
   
   Effective and fair

5. How effective and fair were this course's writing assignments?
   
   N/A

6. Was written work evaluated fairly and returned within a reasonable time?
   
   Yes

7. Describe the effectiveness of team teaching in this course.
   
   N/A

8. To what extent were you encouraged to think for yourself in this course?
   
   N/A

9. Evaluate the instructor's preparation for the class and/or laboratory.
   
   Good

10. To what extent did the field trip(s) contribute to your learning?
    
    N/A

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    
    N/A

12. Comment on the quality of the texts, equipment, or facilities for this course.
    
    Textbook was fairly good, not the best

13. If it was needed, to what degree was help outside of class available and productive?
    
    Very available and very productive

14. Evaluate the effectiveness of class discussion in this course.
    
    N/A

15. Evaluate the course as a whole.
    
    Good!

16. Evaluate the instructor overall.
    
    Good!
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   The homework assignments were helpful, but the most helpful thing for me to do by far was to come in and see Dr. Foley.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   I really found the text for this class to be unclear, confusing, and generally unhelpful. I would go to it when I didn't understand something in class only to emerge from its pages equally confused. It should at least be supplemented with a "how to get the most out of your text" supplement suggesting how to read it for better clarity.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   The course is required for the major and minor. I really struggled with most of the material.

2. Evaluate the instructor's organization of this course.
   The organization is logical and mostly follows the text.

3. Evaluate the quality of the lectures.
   I honestly found some of the lectures quite confusing. Sometimes, I think it would help for Dr. Foley to slow down during more complex explanations.

4. How effective and fair were the reviews and tests given throughout the term?
   The reviews were very long and challenging but fair.

5. How effective and fair were this course's writing assignments?
   NA

6. Was written work evaluated fairly and returned within a reasonable time?
   Yes

7. Describe the effectiveness of team teaching in this course.
   NA

8. To what extent were you encouraged to think for yourself in this course?
   The texts encourage independent thinking.

9. Evaluate the instructor's preparation for the class and/or laboratory.
   Dr. Foley is always well prepared for class.

10. To what extent did the field trip(s) contribute to your learning?
    NA

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    NA

12. Comment on the quality of the texts, equipment, or facilities for this course.
    As I recall, the text was very unhelpful.

13. If it was needed, to what degree was help outside of class available and productive?
    Dr. Foley is a fantastic asset to his students outside of class. He is so great with spending the much time as needed explaining.

14. Evaluate the effectiveness of class discussion in this course.
    NA

15. Evaluate the course as a whole.
    The course is really challenging, but understandably critical.

16. Evaluate the instructor overall.
    Dr. Foley is a fine professor. He might benefit his students by slowing his pace a little, but the quality of his teaching is outstanding.
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course’s goals?

   I think your points were helpful.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   No change. Perfect class.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   \[\text{I did a little worse than my other eight classes. My motivation and performance were better.}\]

2. Evaluate the instructor's organization of this course.
   \[\text{Very good. PowerPoint was very helpful.}\]

3. Evaluate the quality of the lectures.
   \[\text{Very good}\]

4. How effective and fair were the reviews and tests given throughout the term?
   \[\text{Very good}\]

5. How effective and fair were this course's writing assignments?
   \[\text{We didn't have much writing assignment}\]

6. Was written work evaluated fairly and returned within a reasonable time?
   \[\text{Yes}\]

7. Describe the effectiveness of team teaching in this course.
   \[\text{Good}\]

8. To what extent were you encouraged to think for yourself in this course?

9. Evaluate the instructor's preparation for the class and/or laboratory.
   \[\text{Very good}\]

10. To what extent did the field trip(s) contribute to your learning?
    \[\text{We didn't have any}\]

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    \[\text{N/A}\]

12. Comment on the quality of the texts, equipment, or facilities for this course.
    \[\text{Very good}\]

13. If it was needed, to what degree was help outside of class available and productive?
    \[\text{Anytime}\]

14. Evaluate the effectiveness of class discussion in this course.
    \[\text{Good}\]

15. Evaluate the course as a whole.
    \[\text{Very good}\]

16. Evaluate the instructor overall.
    \[\text{Very good}\]
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   lectures, slides & outside help

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   Too many reviews
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   I was motivated to do well & have been successful thus far.

2. Evaluate the instructor's organization of this course.
   The instructor was well organized.

3. Evaluate the quality of the lectures.
   Although everything was available on the slides, the lectures were essential to understand the material. The reviews were hard & covered most of the material, but it was too many.

4. How effective and fair were the reviews and tests given throughout the term?
   The reviews were hard & covered most of the material but it was too many.

5. How effective and fair were this course's writing assignments?

6. Was written work evaluated fairly and returned within a reasonable time?
   Yes.

7. Describe the effectiveness of team teaching in this course.

8. To what extent were you encouraged to think for yourself in this course?
   The course was hard & I was always thinking of myself.

9. Evaluate the instructor's preparation for the class and/or laboratory.
   He was well prepared & we were able to finish the material in time, without rushing.

10. To what extent did the field trip(s) contribute to your learning?

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.

12. Comment on the quality of the texts, equipment, or facilities for this course.
   The book was very helpful.

13. If it was needed, to what degree was help outside of class available and productive?
   The professor was always available & very helpful.

14. Evaluate the effectiveness of class discussion in this course.
   Not very effective.

15. Evaluate the course as a whole.
   Hard, A lot of work but quite interesting.

16. Evaluate the instructor overall.
   Well organized, very friendly and helpful.
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   The homework problems helped me to understand the materials more fully. The in-class problem examples also were extremely helpful.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   The least helpful was some parts of the text. The text was difficult to understand and sometimes even caused more confusion.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   I am majoring in economics.

2. Evaluate the instructor's organization of this course.
   
   B+

3. Evaluate the quality of the lectures.
   
   B

4. How effective and fair were the reviews and tests given throughout the term?
   
   B+

5. How effective and fair were this course's writing assignments?

6. Was written work evaluated fairly and returned within a reasonable time?
   
   B

7. Describe the effectiveness of team teaching in this course.

8. To what extent were you encouraged to think for yourself in this course?
   
   Every assignment.

9. Evaluate the instructor's preparation for the class and/or laboratory.
   
   A

10. To what extent did the field trip(s) contribute to your learning?

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.

12. Comment on the quality of the texts, equipment, or facilities for this course.
   
   The text was less than fair.

13. If it was needed, to what degree was help outside of class available and productive?

14. Evaluate the effectiveness of class discussion in this course.

15. Evaluate the course as a whole.
   
   The course was interesting and thought-provoking. I learned a ton of information.

16. Evaluate the instructor overall.
   
   B+
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   The Powerpoint slides were helpful & the professor was adamant about making sure we understood the material.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   Poor

2. Evaluate the instructor's organization of this course.
   
   Good

3. Evaluate the quality of the lectures.
   
   Good

4. How effective and fair were the reviews and tests given throughout the term?
   
   Very long & hard but ultimately fair.

5. How effective and fair were this course's writing assignments?

6. Was written work evaluated fairly and returned within a reasonable time?

7. Describe the effectiveness of team teaching in this course.

8. To what extent were you encouraged to think for yourself in this course?
   
   A lot

9. Evaluate the instructor's preparation for the class and/or laboratory.
   
   Good

10. To what extent did the field trip(s) contribute to your learning?

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.

12. Comment on the quality of the texts, equipment, or facilities for this course.
   
   Decent text

13. If it was needed, to what degree was help outside of class available and productive?
   
   Readily available

14. Evaluate the effectiveness of class discussion in this course.
   
   Good

15. Evaluate the course as a whole.
   
   Hard but good

16. Evaluate the instructor overall.
   
   Good.
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and **only** after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   The set up of the notes was helpful.

   I liked the organization.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   More integration of the book would be helpful.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   
   I was motivated, but it was not my top priority.

2. Evaluate the instructor's organization of this course.
   
   Very organized.

3. Evaluate the quality of the lectures.
   
   Good lectures, informative/entertaining.

4. How effective and fair were the reviews and tests given throughout the term?
   
   Decently effective/fair; difficult.

5. How effective and fair were this course's writing assignments?
   
   NA.

6. Was written work evaluated fairly and returned within a reasonable time?
   
   Homework, yes.

7. Describe the effectiveness of team teaching in this course.
   
   NA.

8. To what extent were you encouraged to think for yourself in this course?
   
   Mostly a class of facts.

9. Evaluate the instructor's preparation for the class and/or laboratory.
   
   Well prepared.

10. To what extent did the field trip(s) contribute to your learning?
    
    NA.

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    
    NA.

12. Comment on the quality of the texts, equipment, or facilities for this course.
    
    Text was informative.

13. If it was needed, to what degree was help outside of class available and productive?
    
    Not very many office hours, but helpful.

14. Evaluate the effectiveness of class discussion in this course.
    
    People could try to figure things out for themselves.

15. Evaluate the course as a whole.
    
    It was informative; difficult.

16. Evaluate the instructor overall.
    
    Very good!
This questionnaire can help instructors improve the quality and effectiveness of their teaching. The college administration will also use it in faculty evaluation. Please answer thoughtfully the questions printed below. After, and only after, you have answered the questions on this page, respond briefly to the specific questions on the back of this form. This form will not be returned to the instructor until after grades have been turned in.

1. What elements of the course and instruction did you find most helpful to the accomplishment of the course's goals?

   Lectures in this course were fantastic, well organized, informative, and funny.

2. What elements of the course and instruction did you find least helpful? What changes, if any, do you suggest?

   It seemed like a lot of folks had trouble with basic calculus. A higher math prerequisite might make the class run more smoothly.
Below is a list of questions, not all of which may be applicable to this course. Please answer those which are applicable with a single concise sentence.

1. Describe your own motivation and performance in this course.
   I did well in this course.

2. Evaluate the instructor's organization of this course.
   The middle of the course (revealed preferences attitudes toward risk) was a bit jumbled; otherwise good

3. Evaluate the quality of the lectures.
   Excellent

4. How effective and fair were the reviews and tests given throughout the term?
   Fine

5. How effective and fair were this course's writing assignments?
   N/A

6. Was written work evaluated fairly and returned within a reasonable time?
   Always

7. Describe the effectiveness of team teaching in this course.
   N/A

8. To what extent were you encouraged to think for yourself in this course?
   As much as is possible in a lecture course

9. Evaluate the instructor's preparation for the class and/or laboratory.
   Impeccable

10. To what extent did the field trip(s) contribute to your learning?
    N/A

11. Evaluate the quality of the laboratory/studio/workshop sessions in this course.
    N/A

12. Comment on the quality of the texts, equipment, or facilities for this course.
    Nicholson is a little hard to read

13. If it was needed, to what degree was help outside of class available and productive?
    Always available & productive

14. Evaluate the effectiveness of class discussion in this course.
    Discussion was encouraged and effective

15. Evaluate the course as a whole.
    Excellent

16. Evaluate the instructor overall.
    One of the department's, and maybe one of Davidson's, best
